THE RAM -REPORT-

September 4, 2025

Upcoming Events

September

2 - First Day of School

24 - See You at the Pole

October

18 - Fall Festival

Reminders

*Please make sure your kids have their water bottle, Bibles, and slippers!

*We have a time set aside in the morning for a snack. If your student needs something, please send it.

See you at the Pole

See You at the Pole is a student-led prayer event that takes place on the fourth Wednesday in September. Students gather at the flagpole before school to pray for their friends, family, teachers, school, city, state, and nation. Because this is a daily event for us, we want to extend an invite to the community to come pray with us. We will begin at 8am.

We do not have enough refrigerator space to store all of our student's lunchboxes. If you are able, please put an ice pack in the lunchbox/bag to help with keeping them cool. Please only send water bottles or juice boxes for lunch. We do not allow energy drinks or soda at lunch.

Thanks for your help!

Note from Mrs. Montgomery

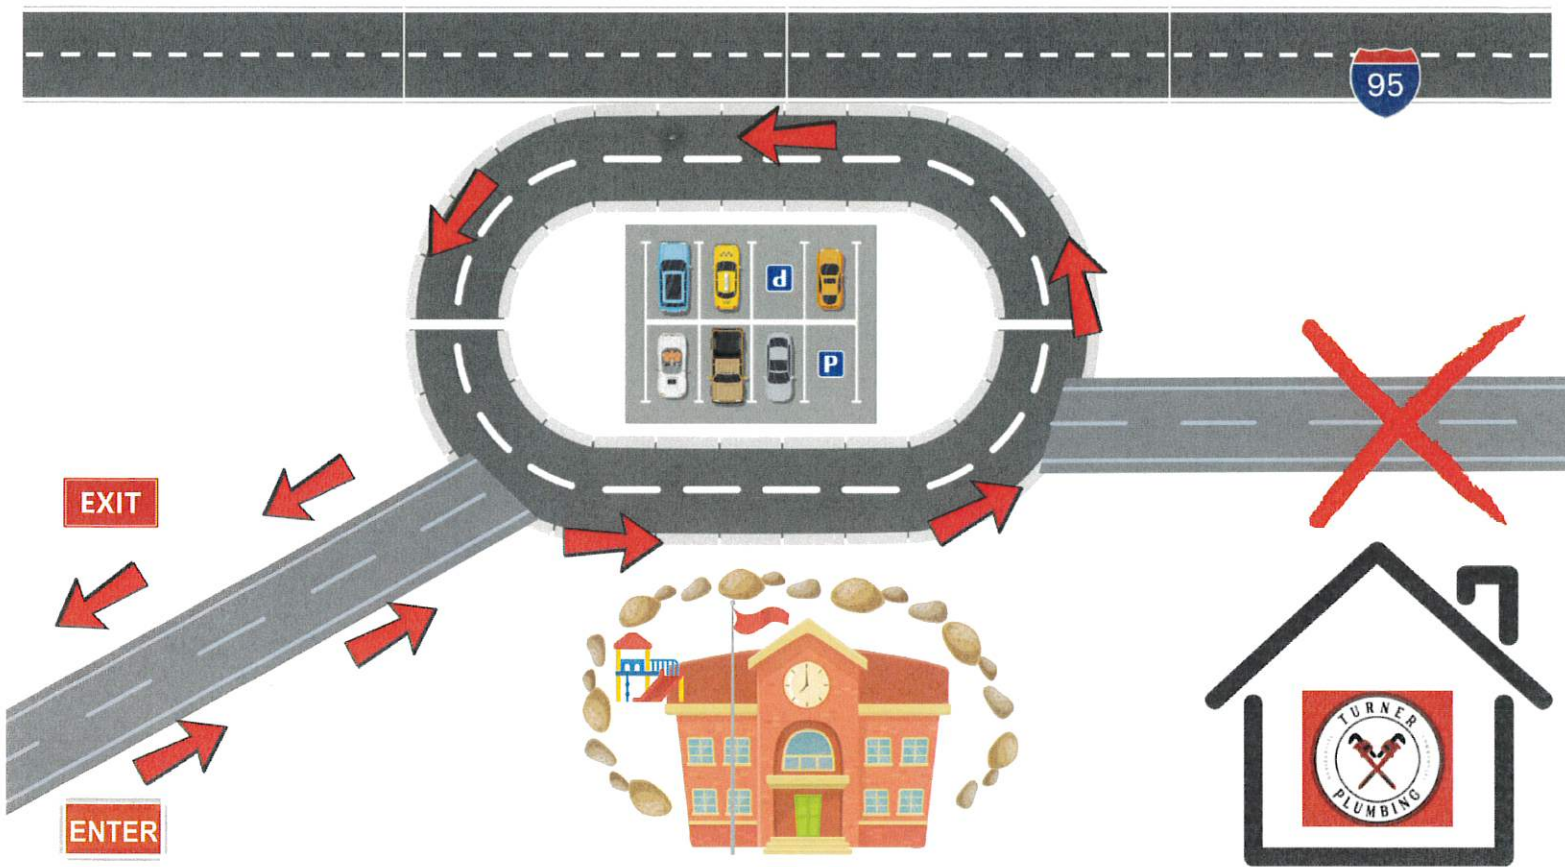

A new school year brings fresh opportunities, and we are excited to see how

God will work in and through us in the months ahead. This year, we are especially blessed to have new classrooms, new teachers, new students, and new classes.

Each of these gifts adds energy and excitement to our school community.

As we begin this year, let's remember that each day is a chance to grow not only in knowledge but also in faith and character. Our teachers are eager to guide and support you, and our classrooms are places where we can explore God's creation, seek His truth, and encourage one another. With new friends to meet and new challenges to face, we trust that the Lord will equip us for every good work.

Foundations School is more than just a place to learn—it is a place to belong, to grow in Christ, and to let our light shine for Him. Let's work hard, lift each other up, and make this school year one where we glorify God in all that we do!

Please only use the north entrance off of Latigo Lane for both entering and exiting the school property. Do not use Dusty Lane next to Turner Plumbing.

Thank You

There are so many people to thank for their participation in making Foundations School a success. We had support with construction, with supplies, curriculum, cleaning, serving at the fair and concerts. People brought workers meals, cookies, and coffee. We live in such a giving and service minded community. What a blessing!

Every time I think of you, I
give thanks to my God.
Philippians 1:3

Update on Construction

**Thank you for your flexibility!
We have one of the classrooms completed! We are anticipating the new upstairs classroom completed by September 15. We have enjoyed utilizing our new outdoor classroom space in the mean time.**
