See you at the Pole

See You at the Pole is a student-led prayer event that takes place on the fourth Wednesday in September. Students gather at the flagpole before school to pray for their friends, family, teachers, school, city, state, and nation. **Because this is a daily event for us, we want to extend an invite to the community to come pray with us. We will begin at 8am.**

DON'T FORGET

Please include an icepack in your child's lunch. We don't have enough fridge space!

Note from Mrs. Montgomery

As September draws to a close, I am filled with gratitude for all the ways God has blessed our school this month. From the joy of welcoming new students and teachers, to the excitement of our first hands-on learning projects, we have seen His faithfulness in every detail. Our classrooms are alive with curiosity and creativity, and it is a joy to watch students grow in both knowledge and Christ-like character.

Looking ahead, there are many opportunities for parents to be part of this exciting community. Whether volunteering in classrooms or helping with upcoming events, your involvement makes a lasting difference in the lives of our students. I encourage you to prayerfully consider where God might be calling you to serve.

Thank you for your partnership and for the love and support you pour into Foundations. Together, we are helping students grow in faith and learning for God's glory.

Reminders

 November 7th & 8th, Foundations School will be participating in the Craft Fair. Students will be making crafts to sell and have an opportunity to work the booth. Please reach out to Dustin Solt at 208-946-9085 for ways to help!

 Foundations School is looking for Volunteers to help with our RAM WATCH. We're looking for retired law enforcement officers, military veterans, and community members who believe in the power of service and the importance of education. If you have a few hours to spare each week, your presence could make all the difference. Volunteers will help monitor our school

Volunteer Shifts Available:
Monday–Friday between 7:15 AM and 4:00 PM

 Do you have tools that you are no longer using? We are looking for hammers, screwdrivers, wrenches,

power tools, safety gear, etc.

Students are busy building and creating in Makerspace at Foundations School.

ATTENDANCE MATTERS...

Missing a day of school here and there may not seem like much, but absences add up!
