**Friends and Family are Welcome
to Join!**

**GOD IS ABLE
TO DO
FAR MORE
ABUNDANTLY
BEYOND ALL
THAT WE ASK
OR THINK**

EPHESIANS 3:20

Note from Mrs. Montgomery

As we step into the heart of January, I want to thank our families, students, and staff for the strong start to the new year.

This season is a reminder that growth often happens quietly—through consistency, perseverance, and showing up each day with purpose. I'm proud of the character, effort, and grit our Rams continue to demonstrate in the classroom and in how they care for one another.

As we look ahead, we are now welcoming new student enrollment for the spring semester. If you know a family or student who is searching for a Christ-centered, trade-focused education that builds confidence, skills, and strong foundations,

we would be grateful if you'd share Foundations School with them. Your word-of-mouth support plays a vital role in helping us reach students who need a place to grow and thrive.

Thank you for being part of this community and for standing with us as we continue to build something meaningful— together.

Julie Montgomery

Educational Grants & Scholarships

TBS believes in the importance of a Christian-based education. Children and young adults are exposed to many different viewpoints of the world. Time and again, they are exposed to viewpoints that are contrary to the foundational principles of Christianity. The Bible may not directly say that Christian education is the only way, but it does emphasize the importance of training our hearts for Christ.

Education is an investment into the hearts of children, and we at TBS believe parents should “[s]tart children off on the way they should go, and even when they are old they will not turn from it.” -- Proverbs 22:6 (NIV). On this point, TBS understands the tremendous burden parents face when they make a difficult decision to either homeschool or send their children to Christian private schools. To help families reduce financial burdens, TBS offers educational grants to help offset the cost of homeschooling or tuition for Christian-based private schools, and also offers merit scholarships to students who demonstrate Christian moral standards and high degree of scholastic aptitude.

Criteria and Application for Educational Grants and Scholarships

TBS uses the Poverty Guidelines of the U.S. Department of Health and Human Services and apply a proprietary income threshold methodology to determine the amount of grant or scholarship to award.

To be considered for a grant or scholarship to offset the cost for homeschooling or tuition at a private school for a child or children, (1) draft a justification narrative explaining the need, (2) complete the TBS Assistance Application, and (3) send the justification narrative and completed application by email to

benevolence112@gmail.com.

Regeneration Calvary Chapel will be providing lunch for our students on January 13, 2026

IDENTIFY | LOCATE | EVALUATE

Free Developmental Screening for children

Birth - 5th birthday

NEW LOCATION: Boundary County Middle School Library
Friday March 20th

Call today for an appointment:
(208)267-7962

Screening assesses child's development

in the following areas:

- * Speech and Language
- * Large and small muscles
- * Academic Concepts
- * Self help skills
- * Social emotional skills
- * Hearing and Vision

If your child would benefit from support in one or more areas listed above, a referral is made with parent consent to the appropriate child development specialist with:

Idaho Infant/Toddler Program - For Ages Birth to 3 yrs

Boundary County School District-Early Childhood Program - For Ages 3 and 4 yrs

NIC Head Start - For Ages 3 and 4 yrs

Boundary County School District is also responsible for identification of school age children with special needs or disabilities. Please contact the Special Education Department at (208)267-7962.
