

THE RAM -REPORT-

March 5, 2026

Upcoming Events March

Note from Mrs. Montgomery

- 26 - End of Quarter 3
- 21 - Springtime Gala
- 30 - April 2 - Spring Break (No School)

March is shaping up to be a wonderful and busy month on campus! We are so proud of the momentum our students are building as we head into spring, and we want to share a few recent highlights along with what's coming next.

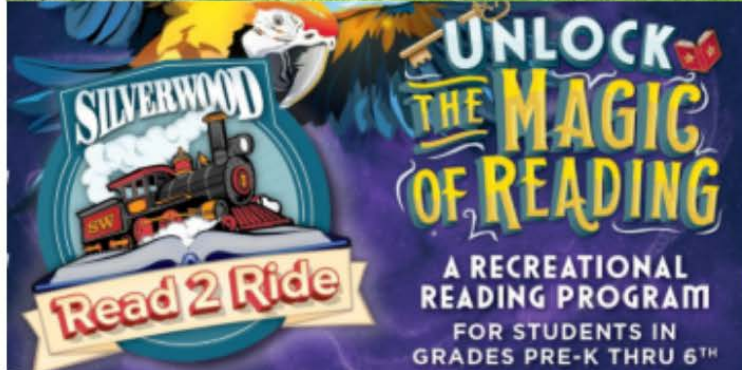

Our Elementary students did an outstanding job with Market Days. It was inspiring to watch them apply real-world skills, planning, creating, marketing, and managing their "businesses." Beyond the fun, students demonstrated teamwork, problem-solving, and confidence as they interacted with customers. Thank you to the families who supported this hands-on learning experience!

In Kindergarten, our Stone Soup project was a beautiful success. Students worked together to bring the classic story to life, learning meaningful lessons about cooperation, generosity, and community. It was a joy to see their excitement as each child contributed to something bigger than themselves. These are the moments that truly build both hearts and minds.

Looking ahead in March, classrooms will continue engaging in rich academic work, character development, and hands-on learning opportunities. As the weather begins to change, please help your child come prepared for outdoor time with appropriate layers.

Thank you for your continued partnership and for the many ways you support Foundations. We are grateful to walk alongside your family in your child's growth.

Julie Montgomery

Information went home with students this week!

Food Handlers Class

Monday, March 23, 2026 8:30 AM-5:00 PM

Boundary County Extension Office

6791 B Main Street FREE

Do you work in the food industry or have a job that involves cooking for others? Take our class and receive your Idaho Food Handlers Card.
