## Note from Mrs. Montgomery

This is such a special time at As we step into the beauty of spring, I'm reminded of how faithfully God brings new life, growth, and renewal in every season. It's such a special time here at Foundations School, our campus is full of joy, energy, and students who are not only learning and growing, but being shaped in their faith each day.

This season brings so many wonderful opportunities for connection and celebration, and I want to personally invite you to be part of it all. Whether you're attending events, helping behind the scenes, or simply showing up to support your student, your presence truly matters. These shared moments build something deeper, a strong, Christ-centered community that our students will carry with them for years to come.

As Galatians 6:9 reminds us, "Let us not grow weary of doing good, for in due season we will reap, if we do not give up."

Thank you for continuing to invest in this school, in your children, and in one another. We are so grateful for each of you and look forward to all that God has in store this spring.
