Note from Mrs. Montgomery

As we near the finish line of another incredible school year at Foundations School, we want to take a moment to thank you for your partnership, support, and encouragement throughout the year. It has been a joy to watch our students grow academically, socially, and spiritually. While summer is just around the corner, we want to encourage every student to finish strong. Stay focused, give your best effort, and end the year with excellence and determination. These final weeks matter, and we are excited to celebrate all that has been accomplished.

We would also love for our entire Foundations family to join us for Graduation on June 5th as we celebrate an important milestone for our Kindergarten, 8th grade, and 12th grade graduates. This special afternoon is a meaningful time to honor the hard work, growth, and achievements of these students as they take their next steps. Whether your child is graduating or not, we invite you to come celebrate as a community and cheer on our students together. Thank you for being such an important part of the Foundations family, let's finish this year well!
