**Heirloom Tomatoes,  
Peppers, and Eggplant**

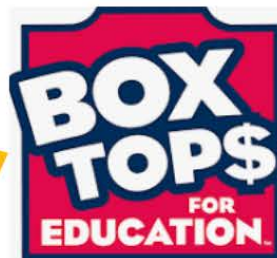

## Note from Mrs. Montgomery

Foundations Families,

It has been a joy to watch our students grow academically, spiritually, and socially, and I am proud of the hard work and perseverance they have shown throughout the year. As we finish strong, we also look ahead with great anticipation. We are thankful for the families who will continue this journey with us next year, and we are excited to welcome new students, families, and staff members into the Foundations community. Thank you for being part of what makes Foundations such a special place. We can't wait to see what God has in store for the year ahead!

# Ways to Get Involved With Foundations School this Summer

School may be out, but the Foundations family doesn't stop for summer! There are plenty of ways to stay involved, support our school, and stay connected with our amazing community.

- ✓ **Join Us for Summer Camp**  
Keep the fun going by signing your student up for Foundations Summer Camp! It's a great way to build friendships, stay active, and continue learning through fun summer activities.
- ✓ **Walk with Us in the 4th of July Parade**  
Come celebrate our community and show your school spirit! Students, families, staff, and supporters are invited to join the Foundations crew in the parade. Wear your school gear and help us represent Foundations with pride!
- ✓ **Grab Coffee at The Merc (Opening This Summer!)**  
Stop by The Merc, right next door to Foundations, for coffee, conversation, and community. It's a great place to connect with fellow school families and support a local gathering space connected to our Foundations family.
- ✓ **Pray for Foundations School**  
One of the greatest ways you can support our school is through prayer. Pray for our students, staff, incoming families, safety, wisdom, growth, and for God's continued guidance and blessing over our school community.
- ✓ **Stay Connected**  
Follow along on social media, like and share our posts, celebrate student and school successes, and help spread the word about Foundations to friends and families who may be looking for something special.
- ✓ **Volunteer & Support**  
Keep an eye out for summer opportunities to help with projects, campus improvements, events, and preparations for the upcoming school year. Many hands make light work!
- ✓ **Help Students Keep Growing**  
Encourage reading, practice math facts, explore outdoors, and create meaningful family memories this summer. Learning happens everywhere!

We may be on summer break, but Foundations is still family. Thank you for being part of what makes this community so special. We can't wait to see what God has in store for next year!

Stay connected. Stay involved. Stay part of the Foundations Family this summer!
