Read with Grandparents

Grandparents Day is on September 13th this year. We want to honor grandparents by inviting Grandparents of our elementary age students (Kinder - 5th grade) to come read with their grandchild and then stay and eat lunch with them.

Date: September 14, 2026
Reading Time: 11:30-12:00
Lunch: 12:00-12:30

Note from Mrs. Montgomery

As we begin another school year, I find myself reflecting on just how special it is to watch our Foundations community come together again. The first days of school bring a unique kind of excitement. There are new faces, familiar smiles, nervous beginnings, and so many opportunities to grow.

Our first days have already been filled with learning, laughter, and relationship building. We are getting to know one another, establishing routines, discovering what this year will look like, and laying the foundation for a year of growth.

One of my favorite things about Foundations is that we don't simply ask, "What will our students learn this year?" We also ask, "Who are they becoming?" We want our students to grow in knowledge, but we also want them to grow in character, confidence, responsibility, faith, and their ability to work alongside others.

Thank you for trusting us with your children and for being part of the Foundations family. We are excited about the year ahead and all that God has planned for our students, our staff, and our community.

Here's to a year of learning, growing, serving, and building strong foundations together!

Julie Montgomery

We have 9 new families at Foundations this year! That's incredible! Thank you for sharing our mission with others.

Foundations Cookbook Coming Soon!!

If you have a fantastic family recipe, set it aside. We'll be calling for contributions soon. We'd love to fill our collection with the special recipes that make your family gatherings memorable. Whether it's a treasured classic or a family favorite, we can't wait to see what delicious traditions you have to share!

On Wednesday, September 23 at 8:00 AM, we invite our Foundations families and community members to join us around the school flagpole for See You at the Pole!

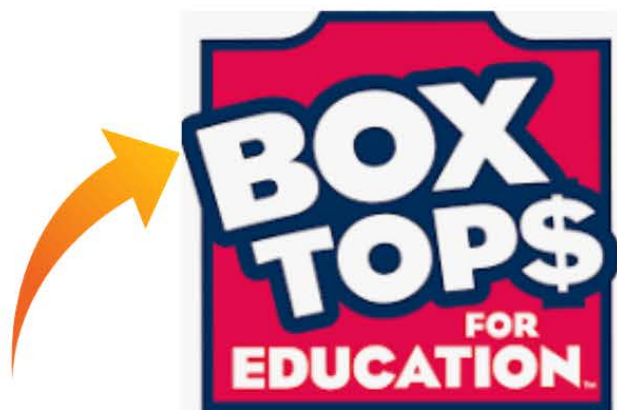

This is a special opportunity for our community to come together in prayer as we lift up our students, teachers, staff, school officials, and schools. We believe there is power in coming together and asking God to guide, protect, and strengthen those who are shaping the lives of our children. Whether you are a Foundations family, a community member, or simply someone who wants to stand with us in prayer, we would love to have you join us!
